**INDIAN INSTITUTE OF TECHNOLOGY, ROORKEE
(Name of Dept./Centre)**

Dated: Jan 25, 2021

ADVERTISEMENT TO FILL UP PROJECT POSITIONS*

Applications are invited from Indian nationals only for project position(s) as per the details given below for the consultancy/research project(s) under the Principal investigator (Name: **Prof. Vidit Gaur**), Dept./Centre: **Department of Mechanical and Industrial Engineering, Indian Institute of Technology, Roorkee.**

- 1. Title of project : **A study on fatigue damage in additively manufactured IN718 alloy**
- 2. Sponsor of the project : **SERB New Delhi**
- 3. Project position(s) and number : **JRF (01)**
- 4. Qualifications : **ME/M.Tech in Mech./Metallurgy/Materials Engg. with GATE qualified**
Candidates with B.Tech/M.Tech from IITs (CGPA > 8) are exempted from GATE/NET as per Institute rules
- 5. Emoluments : **Rs. 31,000/month**
- 6. Duration : **2 Years or upto the duration of the project**
- 7. Job description

Project aim is to investigate and contribute to the understanding of fatigue damage characteristics of additively manufactured IN718 alloy, specifically used in high temperature applications. Some basic knowledge of metallurgical aspects of material mechanics behavior, fracture mechanics is required. Should be able to work in an independent environment. Skills like SEM, Optical microscopy analysis, EBSD analysis, additive manufacturing with prior experience in modelling and simulations are preferable but not obligatory. For more details on work or any other query, Principal Investigator may be contacted.

- 1. Candidates before appearing for the interview shall ensure that they are eligible for the position they intend to apply. Only the shortlisted candidates will be notified for interview call.
- 2. Candidates should submit their applications with the following documents to the office of Principal Investigator through email or by post as a **SINGLE PDF** file in following order:
 - Application in a plain paper with detailed CV including chronological discipline of degree/certificates obtained.
 - Experience including research, industrial field and others.
 - Attested copies of degree/certificate and experience certificate.
- 3. Candidate shall bring along with them the original degree(s)/certificate(s) and experience certificate(s) at the time of interview for verification.
- 4. Preference will be given to SC/ST candidates on equal qualifications and experience.
- 5. Please note that no TA/DA is admissible for attending the interview.
- 6. Note: Selected candidate may get an opportunity to pursue for PhD subjected to Institute admission rules

The last date for application to be submitted by email to Principal Investigator is **20 Feb 2021 by 5 PM.**

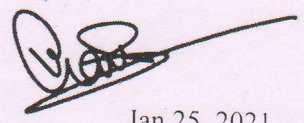

Tel: +91 1332 284909 / 9758360057
